Dear Mr. Bootle:

Re: Acknowledgement of Receipt of New Surety Bond, Marblehead
Mountain Facility, M/045/024 Tooele County, Utah

This is to acknowledge receipt of a new reclamation surety bond for USPCI's Marblehead Mountain Processing Facilities Site. At this time, the Division cannot formally release the existing surety bond # in the amount of \$119,257. The new surety bond must be reviewed by the Division's legal counsel and formally approved by the Board of Oil, Gas and Mining.

(#269,000)

The Division will schedule finalization of the permit transfer process and release of the existing surety bond during the January Board hearing.

Thank you for your patience and understanding in this regard.

Sincerely,

Lowell P. Braxton
Administrator
Minerals Resource Development
and Reclamation Program
